

ABOUT DARE

We are an NDIS service provider that enables people with disabilities to achieve what they want from life whether at home, work or in the community.

DARE has been supporting people with disability in the Blue Mountains and beyond since 1961.

Our Supported Independent Living houses offer a safe, welcoming place to live where you can feel at home.

Located in the beautiful Blue Mountains & surrounding areas of New South Wales.

Above all else, everyone who resides in our homes is treated as an individual, with the support focused on independence, choice, and dignity.

Our friendly and professional staff provide personalised 24 hours; seven days a week support so that each person can achieve what they want with their lives.

We strongly encourage all residents to be fully active in their life both at home and in the community.

There are regular house meetings to provide the opportunity for residents to have a say in the running of their home.

ALL OUR HOUSES INCLUDE
